What an AMAZING property for a large family! 3 bedrooms downstairs, including the master suite w/bay window & master bath w/rustic charm. Grand living rm w/a massive rock fireplace everyone will LOVE. The breakfast nook/dining area offers a bay window. Kitchen is adorable as is but could use your creativity. Upstairs offers 960sqft; great for a game rm or 2 more bedrooms converting the dormers into closets. Nice mud rm & office. Sunroom off of back patio. Fenced in large back yard w/mature trees.
